

PALMA

The Palma Mesh Range is our latest edition to our dining ranges. Specially developed for the outdoor experience, it's high quality powder coating reliably seals and weatherproofs the high-quality steel used. It is guaranteed to provide long lasting enjoyment for your gardens.

The Grey powder coated steel table and chair set would be a great addition to any garden. A stacking high back chair is available alongside 2 table options for 4 seater and 6 seater dining sets. Cushions are available to be paired with the chairs. Also matching parasols are available.
